# THE POWER OF READING ¡EL PODER DE LEER!

Children who read just 4 to 6 books over the summer can maintain their reading achievement scores.

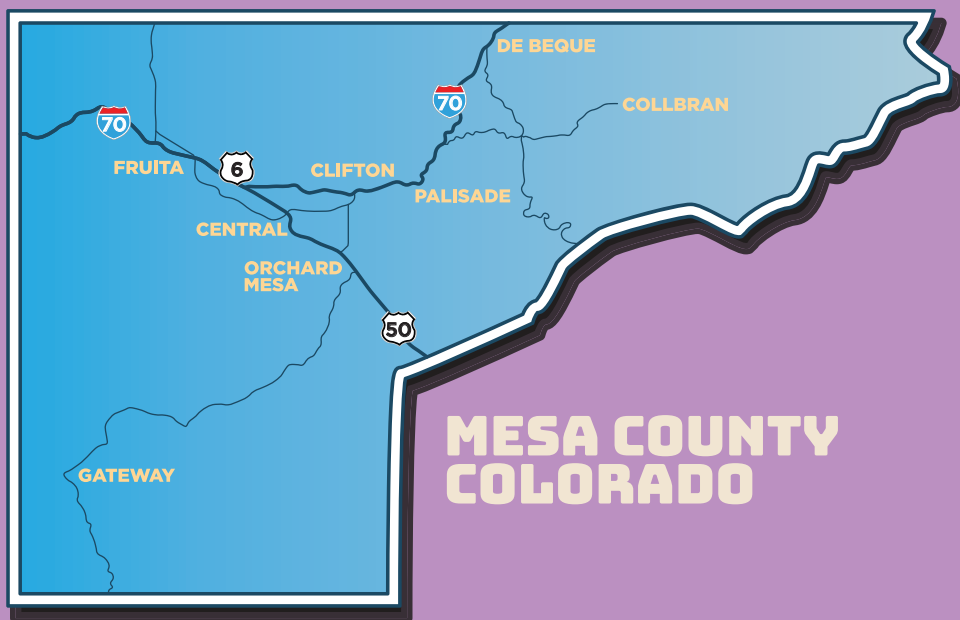

Todo niño que lee de 4 a 6 libros en el verano puedan mantener en puntuaciones de lectura.

Children and teens tend to read more when adults in their lives encourage them to read, and when they see those adults reading frequently themselves.

Niños y adolescentes leen más cuando los adultos en su vida los motivan a leer, y cuando ellos ven a esos adultos leer frecuentemente.
