

Rosetta Stone Access and Mobile App Instructions

On a Computer

1. Visit <http://mesacountylibraries.org> and click on **eResources**.
2. From the A-Z list, click on **Rosetta Stone** (if accessing from home, you'll need to enter your name and card # after clicking on **Rosetta Stone**).
3. Enter email and a password to create an account and then select language. You will need to visit this screen each time you log in and if you ever want to change your language.

Rosetta Stone® Language Learning Suite

- ▶ [Launch Rosetta Stone® Language Lessons Version 3](#)
- ▶ [Contact Support](#)

4. Click on 'Launch Rosetta Stone Language Lessons Version 3'
5. Your computer will perform a system check and then load. You might need to enable Flash. You'll need to select language again and level on the next screen and then click 'Continue'.

Choose Language:

| | |
|-------------------------|---------|
| Persian (Farsi) | Level 1 |
| Polish | Level 2 |
| Portuguese (Brazil) | Level 3 |
| Russian | Level 4 |
| Spanish (Latin America) | Level 5 |
| Spanish (Spain) | |
| Swedish | |
| Turkish | |

On a Mobile Device

1. Install the Rosetta Stone app for Android or iPhone/iPad, **but do not open it**.
2. Using your device's web browser (e.g. Safari), visit <http://mesacountylibraries.org> and click on **eResources**.
3. From the A-Z list, click on **Rosetta Stone** (if accessing from home, you'll need to enter your name and card # after clicking on **Rosetta Stone**).
4. Enter email and a password to create an account and then select language.
5. Click on 'Launch Rosetta Stone Language Lessons Version 3'.
6. After clicking on 'Launch Rosetta Stone', the app will open and your course will load.
7. The next time you use Rosetta, you can just use the app. If you get logged out, choose 'Work or School' under account type and enter s9040366 as the Namespace.
8. To change your language, you must sign out completely (in both the pop-up window AND the screen from step 5) and repeat steps 2-6; languages cannot be changed via the app.
