

## Addendum 1

### **Clarification:**

PhaseII: Design and Documentation, Item#3 – for clarification, the Owner’s Representative is not responsible for applicable ADA or local building code compliance but will be responsible for assuring that the Architect, Construction Manager, and other members of the Project Team comply with conformance to the Building Program. *Item #3* is re-worded as follows: *Review Design Documents through each phase of development for conformance to Building Program and MCPLD requirements. Provide timely feedback on these issues to MCPLD and the Project Team.*
