RFP Postponement Notice

On November 4, 2019, Mesa County Libraries' East Valley Project Steering Committee ("the Committee") met as scheduled to review submitted proposals for Owner's Representative services. Due to the significant range in lump sum bids and the number of assumptions bidders had to make to complete the proposals, the Committee determined that it would be beneficial to postpone awarding the Owner's Representative contract until after the scope of the Project can be better defined.

Once the Committee decides how the defined scope will affect the Owner's Representative RFP, a notice will be issued with an update on the status of the RFP.

Updated information can be found on our website at

<https://mesacountylibraries.org/aboutus/requests-for-proposals/> and through the Rocky Mountain E-Purchasing System at <https://www.bidnetdirect.com/colorado/mesacountypubliclibrarydistrict>.
