

UNLOCK THE POWER OF THE LIBRARY

Mesa County Libraries offer residents the opportunity to learn, discover, create, and connect.

The library's power to inspire is immense. But the real power to enrich lives and build community comes from you – our generous and invaluable donors! You provide the support that can change the lives of more than 80,000 library cardholders in Mesa County.

Your past generosity has benefited such library services as the 970West Studio, Words on Wheels home delivery, The Literacy Center, Summer Reading, Comic Con, and Culture Fest. The Mesa County Libraries Foundation is grateful for your continued support.

By making a tax-deductible gift this year, you are the key to unlocking the power of the library.
