STAMP COLLECTION

1000 BOOKS

BEFORE KINDERGARTEN

How It Works

1. After every 100 books read, bring your child with their reading log to the library to receive a stamp.
2. When you reach the milestones of 100, 200, and 500 books, your child will receive a reward.
3. When you've read 1,000 books, your child will receive a final reward and an invitation to our graduation!
4. Visit mesacountylibraries.beanstack.com or download the Beanstack Tracker App to log books via  **beanstack**

Tips for Sharing Books with Preschoolers

-  Take time to explore pictures in books and ask questions along the way.
-  Be flexible - read even if your child is engaged in other toys.
-  Keep books throughout your house to offer many reading opportunities.
-  Read the same book over and over. Repetition enhances brain development. Each reading counts as another book in your log.
