Build Opportunity!

Give to the Clifton Branch Library Project

Since 1901 generous investments from the community have helped Mesa County Libraries thrive and grow. Public libraries don't belong to anyone, they belong to all of us! Thank you for helping the Mesa County Libraries Foundation build opportunity in the East Valley area.

Your generous donation will help to provide valuable community resources, access to technology, meeting spaces, educational services and support for our East Valley residents.

Help us write a new chapter for Clifton.
