

DOWNTOWN GRAND JUNCTION

# StoryWalk®

StoryWalk® is an innovative and delightful way for children — and adults! — to enjoy reading and the outdoors at the same time. As you stroll down Main Street, look for numbered pages in business windows for a fun, local experience provided by Mesa County Libraries and Downtown Grand Junction.

After completing the StoryWalk, please feel free to check out this story and many others at any of the library's eight locations. For more upcoming events visit [mesacountylibraries.org](http://mesacountylibraries.org) and [downtowngj.org](http://downtowngj.org)!
